TOGETHER WE CREATE VALUE

Responsibility

For more than 20 years, **BELLA ROMANIA IMPEX** meets the expectations and the demands from both clients and partners and is actively involved in community life.

QUALITY AND SAFETY

Complete range of modern products, with prices that reflect the products complexity, but are also adapted to the market's needs. Post sales active policy – free consulting, trainings, cost optimisation programs.

SOCIAL COMMITMENT

We support charitable and social projects and consistently develop our activity for the benefit of society.

Co-organizer of the annual International Long-Term Conference in Romania.

EDUCATIONAL PROJECTS

Organising and sponsoring events that promote health and build empathy for people with special needs.

International Long-Term Conference is an event meant to draw attention on the importance of long-term services development and is organised for professionals who work for the disabled and elderly people - management and staff of Care Centers.

The 4-th edition of **Long-Term Care Conference** in Romania has a significant international participation of specialists from many countries: Norway, Belgium, Ireland, Germany, Spain, Italy, Czech Republic, Austria, Poland, France, Lithuania, Romania.

Identifying solutions for improving the standards of long-term services is a constant concern for our company.

We analyze the mechanisms and practices for the development of this area, in the context of the current demographic changes.

“The younger generation is the arrow, the old one the bow.”
